

*Auto Care Angels*

VEHICLE DONATION

Auto Care Angels (ACA) will accept most any donated vehicle. We will use some vehicles for parts, some as builders and depending on condition and cost some will be scrapped for cash to purchase parts for builders. We have teamed up with Auto Parts Houses, Western Tech College, Holmen and West Salem High School Auto Programs, Tire Distributors, Towing Companies, Auction Houses, Scrap Yards Other Dealerships, Radio, TV, and Newspapers. We are here to maximize all donations by requesting our vendors and partners to help us as much as possible. You will receive a receipt for your donation that you may use to help reduce your tax burden. Before you trade your vehicle in or sell it check out the advantages of tax savings. Most of the time if you enjoy a good income you will be \$\$ ahead through a generous donation, plus you are helping deserving people in your own back yard. ACA's screening process will try to insure that your donation is going to a well deserving applicant in our community. Go on our Web Site to check out the ACA program @ [www.autocaremall.net](http://www.autocaremall.net). Please call with any questions or if you want to arrange to pick-up or deliver your vehicle and title. E-mail [jimgross@autocarmall.biz](mailto:jimgross@autocarmall.biz) or dial 608-783-5700 and ask for Jim!!
